

RESOLUTION NO. 25-0410-01

**RESOLUTION OF BRUSHY CREEK MUNICIPAL UTILITY
DISTRICT ADOPTING YOUTH RECREATION PROGRAMS
STANDARDS OF CARE**

WHEREAS, Brushy Creek Municipal Utility District (the "District") is a conservation and reclamation district, a body corporate and politic and governmental agency of the State of Texas, created under Article XVI, Sec. 59 of the Texas Constitution by order of the Texas Water Commission, now the Texas Commission on Environmental Quality (the "TCEQ"), and the District operates under Chapters 49 and 54 of the Texas Water Code, as amended; and

WHEREAS, the Board of Directors desires to adopt Resolution 25-0410-01 adopting the Youth Recreation Programs Standards of Care. Now, Therefore,

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF BRUSHY CREEK MUNICIPAL UTILITY DISTRICT OF WILLIAMSON COUNTY, TEXAS, THAT:

Section 1. The matters and facts recited in the preamble to this Resolution are found to be true and correct, and the same are incorporated herein as a part of this Resolution.

Section 2. The Board of Directors hereby adopts Resolution 25-0410-01 adopting the Youth Standards of care in the form attached hereto. Said Standards of Care shall become effective immediately upon the execution of this Resolution and shall supersede and replace all prior actions, resolutions and orders adopted by the Board of Directors related to the same subject matter.

PASSED AND APPROVED this 10th day of April, 2025.

President, Board of Directors

ATTEST:

Secretary, Board of Directors

BRUSHY CREEK MUNICIPAL UTILITY DISTRICT

YOUTH RECREATION PROGRAMS STANDARDS OF CARE

Adopted April 10, 2025

I. GENERAL INFORMATION/ADMINISTRATION

- A. Background and Purpose: The following Youth Recreation Programs Standards of Care (Standards of Care) are the minimum standards for youth recreation programs operated by Brushy Creek Municipal Utility District (the "District"). The programs operated by the District are not licensed by the State of Texas, are not child-care facilities, and are not youth camps licensed by the Texas Department of State Health Services. The District offers youth recreation programs exempt from licensure under Human Resources Code Section 42.041(b)(14).
- B. Day Camp Objectives:
- i. To offer a program that offers youth a wide range of recreational activities including sports, games, arts and crafts, education, special events, swimming and field trips.
 - ii. To provide a safe environment, always promoting health and welfare for all participants.
 - iii. To provide a memorable, enriching experience in a fun atmosphere.
- C. Annual Hearing and Adoption: In accordance with Section 42.041(b)(14) of the Texas Human Resources Code, the Board of Directors of the District shall annually adopt Standards of Care by Order after a public hearing for all elementary-age (ages 5-12) recreation programs operated by the District.
- D. Minimum Requirements: The District's Standards of care shall include the following minimum requirements:
- i. Staffing ratios;
 - ii. Minimum staff qualifications;
 - iii. Minimum facility, health, and safety standards; and
 - iv. Mechanisms for monitoring and enforcing the adopted standards.
- E. Applicability: These Standards of Care shall apply to the Camp Foxtail, Camp Frozen Fox, Camp Spring Fox, Vacation Day Camps, Combination Camp, After School Program, Tiny Fox, and Parents Night Out (each a "Youth Recreation Program").
- F. Authorized Persons: For the purposes of these Standards of Care, Authorized Persons are parents, guardians, or adults who have been given authority to pick up or drop off a child for the program. Upon registration, a primary Authorized Person should be identified.
- G. Mandatory Disclosure:
- i. All Authorized Persons must be informed that the District's Youth Programs are not licensed by the State of Texas.

- ii. The Standards of Care must be available on site at all times for public and staff review.
 - iii. Authorized persons responsible for participants will be provided a current copy of the Standards of Care prior to the start of the Youth Recreation Program.
- H. Advertising Restrictions: The District's Youth Recreation Programs and facilities may not be advertised as child-care facility.

II. STAFFING

- A. The District's General Manager shall prepare and keep on site records that include minimum qualifications of all Youth Recreation Program personnel. The District's Board of Directors shall approve job descriptions per District policy.
- B. Organization:
 - i. The Brushy Creek Municipal Utility District Parks & Recreation Department reports to the General Manager, who is accountable to the District's Board of Directors.
 - ii. The Brushy Creek Municipal Utility District Parks & Recreation Department will implement and enforce these Standards of Care. The Youth Standards of Care Team (Programs Supervisor, Recreation Manager, and General Manager) will oversee the overall program, and the Program Supervisor and Program Specialist will administer it on-site.
- C. Minimum Staff Ratios:
 - i. The minimum staff ratio will be one staff member per fifteen children, ages 5-12.
 - ii. Each participant will be assigned to a Youth Recreation Program staff member who is then responsible for them and who will be aware of any participant's special needs as noted on the participant information form.
 - iii. Reasonable accommodation will be made for those with special needs. Participants requiring additional personal assistance, i.e. feeding, changing clothes, or using restrooms, must provide an attendant for the duration of the Youth Recreation Program; staff will not provide personal assistance. The attendant will be admitted to the program free of charge but must pass a criminal background check.
- D. Training:
 - i. The Parks & Recreation Department is responsible for providing training and orientation to all employees, non-employee instructors, and volunteers annually.
 - ii. Training and orientation on working with children and other job-specific responsibilities will be included.
 - iii. All staff will be trained in appropriate emergency procedures, including first aid and CPR.
 - iv. Staff will be familiar with Youth Recreation Program policies pertaining to discipline, guidance and release of participants, and will submit a signed acknowledgment of training.
- E. Drug and Alcohol Policy:
 - i. As part of the District's commitment to safeguard the health of its employees, provide a safe workplace, and supply customers with the highest quality of service

possible, the District has a Drug and Alcohol Free Workplace Policy which includes reasonable suspicion testing. .

F. Criminal Background Checks:

- i. All applicants for employment, non-employee instructors, vendors, and volunteers for the District will be subject to criminal background checks in accordance with the District Personnel Policy.

III. FACILITY STANDARDS

A. Safety Measures:

- i. Emergency evacuation and relocation plans will be posted at each facility.
- ii. A fully stocked first aid kit will be furnished for all events.
- iii. In a situation where evacuation is necessary, the first priority of staff is to make sure all participants are in a safe location.
- iv. Staff will contact the Fire Marshal annually to schedule an inspection of program sites. The recommended number of fire extinguishers will be available and “primed” for use.
- v. Fire drills will be conducted at the program site at least once during each program session. Drills will be led by Programs Supervisor and Recreation Manager.

B. Inspections:

- i. Regular inspections of the areas listed should be completed as follows (i) Community Center Walk-through, twice daily by the Recreation Manager and Night & Weekend Supervisor; (ii) Goal & Gym inspection weekly, by the Sports and Fitness Supervisor and (iii) the stock of sanitation supplies weekly, by the Member Services Supervisor. Any and all concerns should be passed on to the Standards of Care Team.
- ii. Program site equipment and supplies will be safe for participant use and will only be allowed for use when supervised by program staff.

C. Health and Sanitation:

- i. The program site shall have adequate indoor toilets and lavatories located and equipped so that participants can use them independently and program staff can supervise as needed.
- ii. The site shall have no less than one toilet for every 30 participants.
- iii. The site shall have an adequate supply of water that will be provided to participants in a safe and sanitary manner.

IV. SERVICE STANDARDS

A. Appearance and Behavior:

- i. Staff will wear a staff shirt and appropriate footwear and follow the dress guidelines as presented during training and addressed in the personnel policy. Name badges are always to be worn and visible.

- ii. Participants and Authorized Persons will always be treated with respect.

B. Communication with Authorized Persons:

- i. Authorized Persons will be provided with a copy of the Standards of Care and Authorized Person Handbook, either through a link to the website or a paper copy upon request, that outlines the day-to-day operation and programming needs.
- ii. Staff will keep Authorized Persons informed of activities and schedules through weekly emails, and text alerts. A weekly schedule will be distributed, and copies will be kept with the daily sign-in sheets.
- iii. Staff will note details of participant behavior (accomplishments, discipline issues and general activities) and update Authorized Persons as much as practicable.
- iv. Discipline issues will be communicated daily to the Standards of Care Team.

C. Additional Staff Responsibilities:

- i. Staff will always monitor sign-in and sign-out procedures.
- ii. Staff will dedicate their on-duty time to participants and/or Authorized Persons to ensure a meaningful and pleasant experience.
- iii. Staff will attempt to answer any questions or complaints at the site and resolve all problems to the best of their ability and within their training. Situations that are not able to be resolved by staff will be elevated to the Programs Specialist and situations unable to be resolved by the Programs Specialist will be passed to the Programs Supervisor. Any and all situations will be communicated to the Standards of Care Team.
- iv. Prior to beginning each day, staff will check into the appropriate location for any instructions or information relevant to the proposed activities to be conducted that day.

V. OPERATIONAL ISSUES

A. Practices/Procedures:

- i. Emergency numbers for fire, police and emergency medical services shall be posted at the program site, as well as with staff on any field trips. Those numbers include Camp Specialist, Programs Specialist, Programs Supervisor and Authorized Persons contact information.
- ii. A program manual is given to every staff member. The manual will include the following:

 - 3. Policies and Procedures
 - 4. Standards of Care
 - 5. Guidelines for communication with children and Authorized Persons
 - 6. Dress code guidelines
- iii. The Child Check-In Management System must be used every day to ensure children are released to Authorized Persons only. Only Authorized Persons listed on the

release form will be allowed to pick up a participant. An Authorized Person must present appropriate identification to staff for child to be released.

- iv. Enrollment information on each child will be securely kept and properly maintained in a secure area by the Programs Supervisor, and shall include:
 - 1. Child's name, birth date, home address, home telephone number, and phone number where Authorized Persons may be reached during the day.
 - 2. Name and telephone number of persons to whom the child can be released.
 - 3. Creation of a Child Check-In Management System account listing all Authorized Persons; which includes name, picture, phone number and email address.
 - 4. Field trip transportation release form.
 - 5. Liability and medical release waiver.
 - 6. Emergency contact information.
 - 7. Statement of child's special needs or concerns.

B. Discipline:

- i. Discipline and guidance of participants must be consistent and based on an understanding of individual needs and development.
- ii. There shall be no harsh, cruel or unusual treatment.
 - 1. Corporal punishment in any form is prohibited.
 - 2. Children shall not be shaken, hit, bit or have anything put in or on their mouth as punishment.
 - 3. Children shall not be humiliated, yelled at or rejected.
 - 4. Children shall not be subjected to abusive or profane language.
 - 5. Punishment shall not be associated with food.
 - 6. Staff may use brief, supervised separation from group if necessary, but staff shall not place children in a locked room or in a dark room with the door closed.
- iii. All Youth Recreation Program rules shall be communicated to participants prior to the start of any activity. Their understanding of the rules is an integral part of behavior management. Participants must know that there will be consequence for negative behavior.
- iv. Incident reports must be filled out for all disciplinary issues, and information is to be shared with Authorized Persons as well as the Standards of Care Team. Continued disciplinary occurrences may result in the participant not being permitted to return to the program. Additionally, this will result in no refund.
- v. Participants who show patterns of endangerment to themselves, other participants or staff will be removed from camp activities immediately and may be not be permitted back to the program. Additionally, this will result in no refund.
- vi. A log of all disciplinary issues must be maintained by the Programs Specialist and monitored daily by the Standards of Care Team.
- vii. A log of concerns from Authorized Persons must be maintained by the Programs Specialist and monitored daily by the Standards of Care Team.

C. Injury/Illness:

- i. Participants who are considered to be a health or safety concern to other

- participants or staff will not be permitted to participate in a program.
- ii. Staff must notify an Authorized Person immediately when a child is injured or has been involved in any situation in which the child has been placed at risk.
 - iii. Staff shall not allow an ill child to participate if the child is suspected of having a temperature and/or accompanied by behavior changes or other symptoms until medical evaluation indicates that the child can participate in the activities.
 - iv. In the event that an injury occurs that exceeds the role of basic first aid, staff must call 911.
 - v. Staff shall fill out an incident report immediately when an injury occurs. The form shall be filled out completely and turned in to the General Manager. Standards of Care Team must be notified immediately.
 - vi. Staff shall notify the Standards of Care Team, and Authorized Persons if there is an outbreak of a communicable disease in the facility which is required to be reported to the County Department of Health.
 - vii. Staff must notify Authorized Persons of children in a group where there is an outbreak of lice or other infestation.
 - viii. In the event of suspected abuse, Youth Recreation Program staff must report suspected abuse or neglect to the Texas Department of Family and Protective Services or a law enforcement agency. Failure to report suspected abuse is punishable with fines and/or confinement. Confidential reports may be made by calling 1-800-252-5400 in accordance with the Texas Family Code.
 - ix. In the case where a staff member is involved in an incident with a child that could be construed as abuse, the incident must be immediately reported to the Standards of Care Team. The General Manager will notify the Board, Controller/insurance carrier, legal counsel, and all appropriate agencies.
 - x. If a child is required to take medication, an Authorized Person must complete and sign a medication form that details the name of the medication assigned to the participant, the dosage amount and the time it needs to be taken. This form must be completed for non-prescriptions and prescription medications. Participants must be able to administer their own medication; staff will not assist with the administration process. Medication will be signed in with the Programs Supervisor and will be kept in a secure area with limited access. All medication taken must be properly documented; participants will not be allowed to administer medication that has not been properly signed-in. The medication form will include a hold harmless agreement to protect the District.
 - xi. Staff will not dispense medication that requires specialized knowledge or skill with the exception of Epi-Pens used for the control of anaphylactic shock.
