IF THIS IS THE COMPANY'S FIRST TIME DOING WORK IN THE DISTRICT  
A REGISTRATION FORM MUST BE COMPLETED AND TURNED IN WITH THIS APPLICATION

### Requirements

- 1 All plumbing must comply with the current Uniform Plumbing Code and TCEQ regulations.
- 1 Any health hazards found in existing plumbing must be repaired.
- 2 An inspection must be completed by the District's inspector, listed on the permit, within 1 week of installation
- 3 If the prepaid plumbing inspections fails, the above company will receive a bill for the re-inspections. Re-inspection fees are \$ 105.00 each. All re-inspection fees are due 10 days after receiving bill or the above company will be terminated from the District.

**NOTE:** To ensure contamination of the public water does not occur, all back flow prevention devices must be tested upon installation and every 5 years thereafter. All back flow devices that are installed to protect against health hazard must be tested annually. This is to be done by a certified tester and a copy must be filed with Brushy Creek M.U.D.. This testing will be at the homeowner's expense.
